Our new Strategic Plan will focus on seven result areas where we believe changes and improvements can be made to enhance the livability of our community for all citizens. Those areas are: improving our infrastructure; enhancing the quality of life in our City; communicating with our residents more effectively; revitalizing our downtown core; protecting, preserving, restoring, sustaining, and enhancing our environment; ensuring our citizens' safety and security; and investing in organizational development. Working within these result areas, 44 specific initiatives have been identified which will guide our annual budgets and work plans over the next five years as we continue to position ourselves as “The Place to Be”.

\$1,840 (3368 + 5 tickets) + \$3,760 penalty point premiums	\$3,680 (3368 + 10 tickets) + \$14,520 penalty point premiums
Total \$5,600	Total \$18,200

If you have your L or N, you're not allowed to use any personal electronic devices, even with a hands-free system.

- Focus on the road and your driving. Avoid distractions. The best way to stay safe is to not use your phone at all, but if you must take a call, use a hands-free device and keep the conversation short.
- Make sure your hands-free device can be activated or deactivated with a single touch and is in a fixed location.

*Penalty points are applied after the 10-point threshold is reached in your 36-month period. Tickets are available on this link. *Total when penalties have exceeded driving offences only.
