WHAT IS THE GREEN CAN?

The Green Can is for kitchen scraps and your yard trimmings.

- Use your existing yard waste Green Can or add a new can (see acceptable sizes).
- Use only durable plastic cans with two sturdy handles.
- Ensure cans have water-tight, removable lids.
- Put the new Green Can sticker on each green can; turn so the sticker faces the street (stickers available at City Hall).

Use as many 'Green Cans' as you need! Cans do not have to be green colour. Additional stickers available at City Hall.

HERE IS WHAT YOU DO:

Line a kitchen food scrap container with newspaper. Use a specialty bin or reuse a handy food tub such as an ice cream container. Collect food scraps in the kitchen bin.

No plastic bags!

Not even biodegradable or compostable plastic bags.

- Line your large Green Can with newspapers or cardboard.
- Transfer scraps from your kitchen container to the Green Can.
- Mix with yard trimmings and leaves.
