

CITY OF LANGLEY

HIGHWAY USE PERMIT

OUTLINE OF REQUIREMENTS

When submitting a Highway Use Permit application, you must provide the following:

1. Provide all Owner / Developer / Prime Contractor information, complete with a 24/7 emergency contact name and cell phone number.
2. \$100+ GST permit fee
3. Plans or a detailed outline of the works proposed including the dates and times the work will take place for approval.
4. A certificate of insurance with proof of comprehensive liability insurance valid for the duration of the permit and naming the City of Langley as additional insured. The amount of insurance is determined under Section 4 of the Highway Use Permit application.
5. A completed Designation of Prime Contractor form complete with WorkSafeBC registration number.
6. A copy of the Prime Contractor's City of Langley Business Licence or Intermunicipal Business Licence to include City of Langley, prior to approval of the Highway Use Permit.
7. A damage deposit; amount to be determined at application review and to be paid for by cheque, debit or cash only.
8. A detailed traffic control plan, if the work involves a complete or partial road closure.
9. Contractor to contact the City Engineering Department at 604-514-2997, a minimum 48 hours prior to commencing work.
10. Permit holder must contact BC One Call at 1-800-474-6886 prior to any excavation.
11. The City of Langley will notify all applicable emergency services.

Company Address: _____
Company Phone: _____ Fax: _____

Permission pursuant to Section 9 of the City of Langley Highway and Traffic Regulation Bylaw, 2013, No. 2871 is hereby granted to the above named applicant for the following “works”:

Location & Description of Work:

Parking Requirements:

Start Date: _____ **Expiry Date:** _____

Times: _____ **To:** _____

Security Deposits:

- **Light Duty:** for all work involving purely hand tools, and located completely within the boulevard and outside of the paved road area.
- ***Medium Duty:** for all work not involving heavy equipment but still located within the edges of the paved roadway including manhole access or median landscaping.
- ****Heavy Duty:** for all work involving the use of heavy equipment including excavation, paving, and underground or overhead utility work.

1. This permit is issued pursuant to Section 9 of the City of Langley Highway and Traffic Regulation Bylaw, 2013, No. 2871. The issuance of this permit does not exempt, alter or waive any requirements of the Bylaw.
2. The Owner or Applicant shall:
 - a. Assume the responsibilities of the Prime Contractor as the Owner, for purposes of and as defined in the Workers Compensation Act section 118 and 119 of Part 3, of the project for which the construction of the Works are being undertaken, or
 - b. Designate a Prime Contractor, pursuant to the definitions and guidelines of WorkSafeBC Regulations, Part 20 and the Workers Compensation Act section 118 of Part 3, for the project for which the construction of the Works are being under taken.
3. The Owner/Applicant or the designated Prime Contractor agrees that it shall, at its own expense, procure and carry, or cause to be procured, carried and paid for, full Worker's Compensation Board coverage for itself and all workers, employees, servants and others engaged in or upon any work or service which is the subject of the Permit.
4. Applicants for highway use permits must submit evidence of commercial general liability insurance in the amount of:
 - a. \$5,000,000 for all work involving the use of heavy equipment including excavation, paving, and underground or overhead utility work;
 - b. \$3,000,000 for all work not involving heavy equipment but still located within the edges of the paved roadway including manhole access or median landscaping;
 - c. \$1,000,000 for all work involving purely hand tools, and located completely within the boulevard and outside of the paved area.

All policies shall contain a cross-liability clause with the City of Langley named as an additional insured and shall be kept valid for the entire period of work.

5. All construction shall be to the MMCD Standard Specifications and City of Langley Supplementary Specification and Standard Drawings contained in the Subdivision and Development Servicing Bylaw.
6. Traffic control is the responsibility of the Permit holder. Traffic control shall comply with Part 18 of the OH& S Regulation of WorkSafeBC and the current edition of "BC Traffic Control Manual for Work on Roadways" published by the Ministry of Transportation and in addition the requirements of any Traffic Management plan attached to this permit.
7. Failure to comply with any City Bylaw or the terms and conditions of this permit will result in the cancellation of this permit and could result in fines under the Bylaw.

The sum of \$ _____ is deposited as security to guarantee fulfillment of all obligations of the permit. The security shall be returned on satisfactory completion of the "works" minus any costs incurred by the City as per Section 9(i)(iv) of Highway and Traffic Regulation Bylaw 2013, No. 2871.

I acknowledge that in the event of my failure to complete the "work" in accordance with this permit and to the satisfaction of the Engineer, the City may without further notice, take action to complete all or a portion of the "works" and retain the performance security deposit for the City's use as liquidated damages.

I, _____ **Owner/Applicant,**

Contractor's Declaration As Per Workers Compensation Act

I/we acknowledge, in accordance with the *Workers Compensation Act*, R.S.B.C., 1996, Chapter 492, Part 3, Division 3, Section 118 and 119, as amended, that I/we are the "Prime Contractor" and are qualified to act as the "Prime Contractor". I/we accept the duties and responsibilities for coordination of health and safety in accordance with the *Workers Compensation Act*. And further that I/we will do everything that is reasonably practicable to establish and maintain a system or process that will insure compliance with the *Workers Compensation Act* and the Occupational Health and Safety Regulations. The Prime Contractor shall appoint a qualified coordinator for the purpose of ensuring the coordination of health and safety activities for the workplace. Prior to commencement of Construction, the Contractor shall complete and file a "Construction Notice of Project" with the Workers Compensation Board and shall provide a copy of the same to the City confirming that the contractor shall be the Prime Contractor responsible for coordination of safety and health under Part 3 of the *Workers Compensation Act* and Part 20 of the WCB Occupational Health & Safety Regulations. The Prime Contractor shall, at its own expense, procure and carry, or cause to be procured, carried and paid for, full Workers' Compensation Board coverage for itself and all workers, employees, servants and others engaged in or upon any work or services which is the subject of this agreement.
