

## Mayor's Message

Since the creation of the 2017-2021 Strategic Plan, Langley City Council has been investing in parks and renewing infrastructure. This summer Langley City has upgraded waterparks in Nicholas and City Park, upgraded playgrounds in

Linwood Park, Douglas Park, Brydon Park, and City staff are currently working on finishing the City Park playground which is expected to be completed by early September 2018.

These investments along with other initiatives such as newly adopted vision strategy, [Langley City: Nexus of Community](#), the amended Community Services Bylaw which regulates, prohibits and imposes requirements in relation to the use of public places; and new entertainment initiatives including [Farmers Market in the City](#), [Summer in the City events and activities](#), [Live 5-2-1-0 Playboxes](#), are reinforcing Langley City's vision as "the Place to Be."

Every Saturday for the next three weeks, the DLBA in partnership with Langley City, will be hosting three very different and unique events in downtown Langley.

Happening this Saturday, August 11 – Country Music Night in McBurney Plaza. Join us in McBurney Plaza for a memorable evening of amazing live music, local craft beer & wine, street food and a lot of fun! Tickets are just \$15 and include one drink ticket, with partial proceeds going to Kid Sport Langley. On the main
